**Certification to Apply 15% De Minimis Indirect Cost Rate**

The Wisconsin Department of Justice Office of Crime Victim Services (OCVS) requires certification of the 15% de minimis indirect cost rate before approval of the grant budget.

Specifically, the applicant agency affirms it does not have an active NICRA (negotiated indirect cost rate agreement) and therefore is eligible to receive the de minimis rate.

This methodology once elected must be used consistently for all Federal awards until such time as the agency chooses to negotiate a rate, and costs will be consistently charged as either indirect or direct costs.

**Authorized Signing Official:** By requesting the 15% de minimis indirect cost rate, I certify that the applicant agency complies with the terms of its use as set forth in the Uniform Guidance, Title 2 of the Code of Federal Regulation [§200.414](#).

\*The Authorized Signing Official should be the same as the identified Signing Official in the VOCA grant application submitted in Egrants.
