Requirements for Federally Funded Grants

System for Award Management (SAM) Registration:

CAGE Code Number: All applicants must be registered on the SAM (formerly Central Contractor Registration/CCR) database. This is the repository for standard information about federal financial assistance applicants, recipients, and sub recipients. If you had an active CCR, you have an active record in SAM. Applicants must update or renew their SAM registration on an annual basis. Information to update your entity records can be accessed at <https://sam.gov/SAM/>.

Unique Entity Identifier (UEI): All entities doing business using federal funds will be required to have an active UEI number.

- The Unique Entity ID is a 12-character alphanumeric ID assigned to an entity by SAM.gov.
- As part of this transition, the DUNS Number has been removed from SAM.gov.
- Entity registration, searching, and data entry in SAM.gov now require use of the new Unique Entity ID.
- Existing registered entities can find their Unique Entity ID by following the steps [here](#).
- New entities can get their Unique Entity ID at SAM.gov and, if required, complete an entity registration.

WI DOJ cannot award funds until an agency has an active registration in SAM and is eligible to receive federal funds.

All expenses must be new and cannot replace existing state or local government funding. Substitution of existing funds with federal grant funds (supplanting) will be the subject of monitoring and audit. Violations may result in a range of penalties, including suspension of current and future funds under this program, suspension or debarment from federal grants, repayment of monies provided under a grant, and civil and/or criminal penalties.

Title II: Indian Tribes Turnback FY2022 (2027)

The Wisconsin Department of Justice (WI DOJ) through its Bureau of Justice Programs (BJP) provides financial and technical assistance to public safety and criminal justice agencies throughout the state. As the state administering agency (SAA) for state and federal juvenile and criminal justice programs WI DOJ is responsible for establishing funding priorities, developing application criteria, awarding and disseminating grants, and assessing project achievements. This grant announcement provides information about a specific grant opportunity and instructions to help those eligible apply for a share of the available funds.

Program Description and Background

The Office of Juvenile Justice and Delinquency Prevention (OJJDP) awards the WI DOJ Title II Formula grant funding based on state compliance with the core requirements of the federal Juvenile Justice and Delinquency Prevention Act (JJDPA). These funds are administered by the WI DOJ, in partnership with the Governor's Juvenile Justice Commission (GJJC), under specified Purpose Areas, as required by OJJDP.

This funding opportunity is available through the Indian Tribes Programs Purpose Area. Funding is available to support tribes in implementing new or enhancing existing programs that aim to prevent or address juvenile justice and delinquency issues for Native American and Alaska Native youth. Programs should reflect the needs of the applicant community and could include mentoring programs, community-based alternatives to detention, mental health and substance abuse services, family-strengthening support and therapy, afterschool programs that provide educational, recreational, cultural, or employment activities, and others.

The GJJC prioritizes evidence-based and promising programs. Applicants are encouraged to use and incorporate evidence-based programs into their application. Please visit the [National Institute of Justice: Crime Solutions](#) page, the [Tribal Youth Resources Center](#), Substance Abuse and Mental Health Services Administration (SAMHSA) [Blueprints for Healthy Youth Development](#) resource center, or [Title IV-E Prevention Services Clearinghouse](#) for information and examples of promising program.

Applicants are encouraged to incorporate the following focus areas into their programs:

- Serve youth in rural communities. Rural areas are those outside of a metropolitan statistical area.

Title II: Indian Tribes Turnback FY2022 (2027)

- Strengthen the families of delinquent and other youth to prevent juvenile delinquency. This includes involving relatives and extended family members when appropriate, and providing family counseling during incarceration of juvenile family members and coordination of family services when appropriate and feasible.

Application Submission

All applications must be submitted through WI DOJ's web-based grants management system called WebGrants which can be accessed at <https://webgrants.wisdoj.gov>. There are enrollment and user guides on the WI DOJ website which can be found at www.wisdoj.gov/Pages/Grants/UserGuides.aspx.
